There are two express busses connecting the airport Berlin Tegel with a station of the S-Bahn. Bus TXL goes to Berlin main station and Bus X9 goes to the station Berlin Zoologischer Garten. The bus stops are located in front of the main hall of the airport. We recommend to take the Bus TXL because the station Berlin Zoologischer Garten is under construction.

Please cross the street and you will find the bus stop. The bus goes only once per hour. You have to step out after about 3 min at the stop named Seniorenstift Zeuthen. Please be aware that the bus will not stop when you do not push the "stop" button in time. The names of the bus stops are displayed in the bus.

We provide a schematic map illustrating all important stations and S-Bahn lines which are important for your trip to Zeuthen. Please be aware that this map does not contain all stations on these lines. There are much more stops.
